

Identification of Beneficiary for “Medicinal Plant Processing and Dhoop Bhatti Making Training”

Date: 19th-22th January, 2026

Location: Uttarkashi, Uttarakhand, India

The identification of beneficiaries for the "**Medicinal Plant Processing and Dhoop Bhatti Making Training**" programme was carried out in **Uttarkashi District** from **19–22 January 2026** under the project titled "**Establishment of SC/ST Cell in UCOST (Phase II)**". The activity was undertaken to identify and select eligible beneficiaries from Scheduled Caste and Scheduled Tribe communities for capacity-building and skill development in medicinal plant processing and dhoop bhatti (incense stick) production, with the objective of promoting sustainable livelihood opportunities.
